

WATCH OUT!

Crocodiles and Snakes at the Field Days!

This year the Field Days come alive with some of the world's most deadliest creatures. We are excited to host Reptile Education Victoria for the first time and they are sure to be a big hit for everyone. Make sure you step inside the amazing Reptile Bus and get along to a daily Snake Show to learn all about some of Australia's infamous reptiles

The Reptile Bus is a magnificent mini zoo on wheels. Purpose built to travel anywhere it is the perfect opportunity to see up close (but not too close) some of the worlds most venomous snakes, a crocodile, little lizards, BIG lizards, little snakes, and BIG snakes as well as turtles, frogs, and insects... pretty much everything you could wish to see all in the one place.

Snake shows throughout each day will prove very popular with experienced professional snake handlers providing demonstrations on handling, management informative talks and snake bite advice whilst at the same time as some of the worlds most deadliest reptiles slither about their feet.
