Rev it up at the Field Days this year in the awesome V8 Aussie Supercar Simulator. Hugely popular and travelling all over the country attending every round of the V8 Supercar series in Australia the simulator is coming to a stop at the Field Day this year to give everyone the thrill ride of their lives.

The V8 Simulator gives thrills for all ages and at just \$5 a ride there is plenty of room for you and up to 10 of your screaming friends. The big screen surround sound will give you a simulated G force rush and the noise, the vibration, the surging acceleration and the braking will have you holding on tight to your V8 racing seat. Check out the awesome footage of Mark Winterbottoms super V8 race car with the dramatic racing film sequences giving you an unbelievably realistic experience just like you are in the real thing hurtling around the track. Hold on and hit the track for the thrill ride of your life in the V8 Aussie Supercar Simulator
